

Dear Snowwarriors,

Winter is upon us, trails are opening, and the Indian Lake Snowwarriors have great news! New York State Parks and Recreation has awarded us a grant to purchase a refurbished groomer! We've been awarded just shy of \$84K! While other clubs won upwards of \$200K, we are very pleased with what we have to work with. It's a long process to get sealed bids, purchase the groomer, and then get the award, but this is a great day for the Indian Lake Snowwarriors!

Time to sign up with the Indian Lake Snowwarriors in order to qualify for a reduced registration fee for your sleds! Here's where to do that online - <https://membership.nysnowmobiler.com/clubs/510>

If you prefer to sign up in person, please attend the next Snowwarriors meeting on Saturday, January 6, 2018 7PM at Byron Park. Or visit Darrin Harr at the Indian Lake Chamber of Commerce.

We have a busy winter coming up. Here are a few highlights in chronological order:
